610.1 INTRODUCTION - USA Swimming was organized as the National Governing Body for the sport of swimming under the Amateur Sports Act of 1978, as amended by the Ted Stevens Olympic and Amateur Sports Act of 1998, both federal laws. These laws require USA Swimming to establish and maintain provisions for the swift and equitable resolution of all disputes involving any of its members. This Article, together with Section 602.2, and the USA Swimming Rules and Regulations, are intended to provide a clear statement of member responsibilities, liabilities for infractions thereof and a mechanism for resolving in an orderly and fair way all manner and kinds of disputes that may arise among its members in connection with the sport of swimming. Accordingly, GSI has established the Board of Review to hear complaints, protests and appeals regarding the

administration and conduct (including acts and failures to act) of the sport of swimming in the Territory, conduct that may violate the USA Swimming Code of Conduct or otherwise violate the policies, procedures, rules and regulations adopted by USA Swimming or GSI, or conduct that may bring USA Swimming, GSI or the sport of swimming into disrepute. This Article, together with Part Four of the USA Swimming Rules and Regulations, is intended to provide a uniform method of appeal from any decision, act or failure to act to which a member of GSI or, where the conduct occurred in the Territory, another LSC takes exception, and to provide an opportunity for a fair hearing before a group of independent and impartial people. This Article and Part Four of the Rules shall be construed accordingly.

When a matter is being heard by less than the full Board of Review, the panel hearing the case shall include a sufficient number of athlete members so as to constitute at least 20% of the hearing panel. Where specifically required by law, this indemnification shall be made only as authorized in the specific case upon a determination, in the manner provided by law, that indemnification of the Indemnified Person is proper in the circumstances. GSI may, to the full extent permitted by law, purchase and maintain insurance on behalf of any Indemnified Person against any liability that could be asserted against the Indemnified Person.

612.2 EXCLUSION - The indemnification provided by this Article 612, shall not apply to any Indemnified Party whose otherwise indemnified conduct is finally determined to have been in bad faith, self-dealing, gross negligence, wanton and willful disregard of applicable laws, rules and regulations, of the USA Swimming Rules and Regulations, of the USA Swimming Code of Conduct or these Bylaws or who is convicted of a crime (including felony, misdemeanor and lesser crimes) involving sexual misconduct, child abuse, violation of a law specifically designed to protect minors or similar offenses, or who is found by the Board of Review or the National Board of Review to have committed actions which would be the basis for a conviction and, in each case, the otherwise indemnifiable conduct (or failure to act) was, or was directly related to, the predicate acts of the conviction or finding.

In the case of any person engaged in the sport of swimming for compensation or other gain, if GSI determines that there is reasonable doubt as to such person's ability to make any repayment, GSI shall not be obligated to make any payments in advance of the final determination. This indemnification shall not be deemed to limit the right of GSI to indemnify any other person for any such expenses to the full extent permitted by law, nor shall it be deemed exclusive of any other rights to which any Indemnified Person may be entitled under any agreement, vote of members or disinterested directors or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office.

APPENDICES TO THE LSC BYLAWS

APPENDIX A QUESTIONS AND ANSWERS ABOUT RESOLVING DISPUTES

INTRODUCTION

The form of the LSC Bylaws was revised by USA Swimming in September of 1995. However, the basic structure used for resolving disputes has not changed. Members of USA Swimming who disagree with a decision or an action of taken by a meet official or any other LSC officer or who have a swimming-related dispute with another member may appeal those decision, or may submit those disputes, for resolution to the LSC Board of Review (formerly, the Review Section). The Board of Review is responsible for resolving these disputes quickly, fairly and with due process.

The purpose of this Appendix is to help with the details of preparing and filing protests and appeals, and handling a protest as a Board of Review member. Violation and interpretations of the rules and regulations of USA Swimming and the LSC can have serious consequences or involve relatively minor matters. The consequences can range from being barred from Olympic competition for drug use to whether a club should be penalized for being slow in distributing final meet results. Yet, to the people involved, each dispute, each incident is just as important as the other.

Because serious matters are being handled by the Board of Review, the Bylaws have been expanded and made more comprehensive. Many of the sections may appear to be written in "legalese," but that was done to insure that--as much as possible--they would be interpreted uniformly, consistently and correctly. While the language may be technical, the ideas behind the Bylaws' Board of Review provisions are simple and basic. Anyone with a problem should get a fair, impartial hearing and have the problem resolved promptly and with due process.

The rules and procedures in Article 610 of the Bylaws are meant to provide:

- a quick and effective remedy for the Petitioner and the Respondent;
- a hearing by objective unbiased persons, at first a panel of the elected members of the Board of Review, consisting of at least three people (Article 610.5.1 B);
- several levels of appeal are provided; from the initial Board of Review panel to a rehearing by all the members of the Board of Review (or at least seven people, Section 610.5.2); from a rehearing decision to a National Board of Review (Section 610.9); to an appeal to the United States Olympic Committee under its Constitution in cases where an athlete is denied the right to compete in international competition.

COMMON QUESTIONS ASKED ABOUT PROTESTS AND THE BOARD OF REVIEW PROCESS

WHAT IS DUE PROCESS?

Due process is the administration of applicable rules and regulations so that no member is denied his or her legal rights and the application of those rules and regulations in conformance with the fundamental and accepted legal principles. It is the way you would want to be treated if you were charged with misconduct. It includes:

- Notice, in writing, if at all possible, of the specific things that you are being charged with doing or not doing;
- The opportunity to defend yourself against the charges;
- A reasonable amount of time to prepare and present your position;
- The right to have an attorney represent you, if you wish;
- A hearing before disinterested, fair and knowledgeable persons at a time and under circumstances that give everyone a full and fair opportunity to present their position;
- Notice of how to appeal from a decision that you feel is wrong.

WHAT KIND OF PROTESTS CAN BE DECIDED BY THE LSC BOARD OF REVIEW?

The responsibility of the Board of Review is broad but does not cover every possible dispute that might come up. If a decision is made which affects your ability to compete in swim meets or how you place in swim meets and you think the decision is wrong you may appeal to the Board of Review. If you are prevented from participating in the administration of the sport of swimming or being an official you may appeal to the Board of Review. If a decision is made by the LSC that affects your ability to coach swimmers you may appeal to the Board of Review. There are some matters that should be submitted directly to the National Board of Review. Read Sections 610.4.1, 610.4.2 and 610.1 and Sections 401.2 and 401.3 of Part Four of the USA Swimming Rules and Regulations to determine where your appeal should go. Remember that the Board of Review does not involve itself in disputes involving the administration of individual clubs unless it affects the ability of members to participate in competition.

WHAT KIND OF PROTESTS WILL BE DECIDED BY THE NATIONAL BOARD OF REVIEW?

Section 401.3 lists the kinds of protests that may, or in some cases, must go directly to the National Board of Review. They include, most matters where members of more than one LSC are involved, matters which come up at a regional, national or international swimming competition; matters involving moral turpitude, and matters in which the National Board of Review determines that a fair hearing will not be held quickly enough at the LSC Board of Review level to do justice to the affected parties.

HOW DO I CONDUCT A BOARD OF REVIEW HEARING?

The new Bylaws have expanded the sections that explain hearing procedures. The Bylaws now provide a step by step outline of the steps to be taken and procedures to be used when a protest occurs (Sections 610.5 and 610.6). The purpose of the Article remains the same, i.e., to give due process to any individual or any entity, club or organization participating in any activity of any kind of the LSC or USA Swimming - not just athletes, but coaches, officers, committee Chairs and members, officials, clubs and all classes of members as well.

The process can be summarized as follows:

A The Petitioner must give a written protest ("Petition") to the Chair of the Board of Review. (See Section 610.6.1 A.) [If the LSC has a filing fee, this should be noted here.] (Check to see if your LSC has an office that will transmit the protest to the Chair of the Board of Review and follow up to find out when the Chair actually received the Petition.)

B The Chair of Board of Review may have an investigation made to see if the dispute can be resolved before a hearing. It is not unusual to have disputes cleared up when an impartial party listens to both sides and tries to mediate a dispute. This kind of informal resolution is to be encouraged.

C A written Notice must be prepared and delivered by the Chair to the Respondent. (See 406.4.1A of the USA Swimming Rules and Regulations and the suggested form of Notice which is in Appendix B.)

D Written statements of position may be filed by all parties to the proceeding. (See 406.4.1B & C of the USA Swimming Rules.)

E A hearing must be scheduled by the Chair to take place within 80 days from the date when the Chair of the Board of Review received the Petition.

F A hearing may be held (if everyone involved agrees the protest can be considered on the written statements that have been submitted without a formal hearing). Use common sense in conducting the hearing. Make all parties feel that they have a fair chance to state their position and that the Board has an open mind as it listens to their position. In all events give the athlete the benefit of the doubt!

G The Board of Review must decide the matter within fourteen (14) days after the conclusion of the hearing. (If time is not critical, it may be advantageous to delay the decision for a few days after the hearing to give full consideration to all the facts presented in a hearing rather than making a ruling immediately upon conclusion of the hearing.)

H The Board must send copies of its decision to the parties involved and certain administrators. See 406.4.1E of the USA Swimming Rules and Regulations as to who must get copies of the decision.

I The parties must be given a statement telling them what they must do to appeal the Board of Review's decision and how long they have to appeal.

THE MEET DIRECTOR JUST TOLD ME THAT MY SWIMMER'S PROOF OF TIME IS NOT ADEQUATE AND THE SWIMMER WON'T BE IN THE EVENT LATER THIS MORNING. THE MEET DIRECTOR IS WRONG AND WE CAN'T WAIT FOR A HEARING FROM THE BOARD OF REVIEW. WHAT DO I DO?

First, you should review the meet information to see if it provides for any kind of appeal such as the Eligibility Jury provided for at the National Championships. (Article 206.5, Part Two of the USA Swimming Rules and Regulations.) If you still believe your swimmer is being improperly kept out of the meet you should ask for an emergency hearing from the Board of Review. The Bylaws give the Board of Review a great deal of flexibility in handling emergency situations. Get on the telephone to the Chair of the Board of Review or the LSC General Chair and make arrangements to set up an emergency hearing under 406.4.2 of the USA Swimming Rules and Regulations.

The Federal law which created National Sports Governing Bodies such as USA Swimming states that an athlete cannot be suspended from competition, even temporarily, without a hearing.

Members of the Board of Review should keep in mind their responsibility to conduct emergency hearings whenever they are at a swim meet and should alert the Meet Manager of their

presence. The Chair of the Board of Review should always make arrangements in advance to see that a panel can be available at championship meets.

A meeting at the swim meet or an exchange of information by telephone and fax can be arranged to permit a timely decision even if the athlete must compete under protest. (See Section 102.11 of Part One of the USA Swimming Rules and Regulations.)

After the meet is concluded, a full formal hearing may be conducted at the request of the Petitioner or the Respondent.
